

Meeting Agenda  
Thursday, January 3  
11am  
Caribou NMDC Office- Board Room

1. Welcome and Introductions
2. Overview of the Washington-Aroostook Regional Plan
3. Discuss current workplans that address similar healthy communities objectives
  - a. K1./K2. Work group- is there anyone else who would be a good resource for this group? Are there other groups who are meeting that already address these issues? Can we put this information on the HUD website to inform interested parties? Can we include contact information? Are these meetings open to the public?
  - b. K3. Inventory of existing initiatives- Determine what policies are created , where they are listed, who created them, can we put a link to the HUD website connecting to these?
  - c. K4. Policies- What and where are they? Can we get a copy? Can we link the HUD website to them?
  - d. K5. Database of activities/local food access- is there one? If so, can we get a copy or link to it? What does it address?

Asset mapping- has it been done? What were the results? Can we get a copy digitally if it has been done? NMDC staff would be willing to do the actual mapping if not been done.
  - e. K6. Website- already been created- The HUD website address is:  
<http://gro-wa.org/index.htm>
  - f. K7 Adoption of Healthy Community initiatives- communities invited to participate. Is this already being done? Where? How does the information get out to the public?
4. Other- Changes to deliverables? Does there need to be any changes? What are they? If so, why?
5. Next meeting
